EASTERN STAR AND THE GALBRAITHS

RECEPTION TO JUSTICE AND MRS. GALBRAITH ON THE EVE OF THEIR DEPARTURE.

Justice and Mrs. Galbraith were handsomely entertained by the Order of the Eastern Star at Masonic Temple last evening. The hall was handsomely decorated. A reception was followed by a party, and this by refreshments. Justice and Mrs. Galbraith leave June 5 for Oklahoma City. Mrs. Galbraith is also the representative of Leahl Chapter to the Grand Chapter of the order which meets in St. Louis in September.

The reception was under the general direction of the Worthy Matron, Mrs. Theodore Hoffmann, and the decorations were the work of Mrs. Hoffmann, Mrs. Herrick and J. D. Tucker.

Before the company separated a silver card tray was presented to the guests of the evening. It had enameled in natural color on the front the Hawaiian coat-of-arms, and engraved on the back the inscription "Presented to Justice and Mrs. C. A. Galbraith by their friends of Leahl Chapter."

Justice Galbraith acknowledged the gift on behalf of his wife and himself in a feeling and pleasant manner.

THANKS OF FILIPINOS.

Appreciation Expressed for Their Entertainment in Honolulu.

A. W. Fergusson, who was with the Filipino commissioners on the Siberia sent the following to Secretary E. M. Boyd of the Tourist Promotion Committee:

"Dear Mr. Boyd: Permit me, through your good channel, to convey to the gentleman composing the committee representing the Honolulu commercial bodies, who on yesterday made the day so enjoyable and full of interest and profitable information to the members of the honorary board of commissioners to the St. Louis Fair the sincere thanks of the Government of the Philippines Islands and the executive committee of the honorary board.

"It is indeed a pleasure for all of us, on reaching the former advance guard of our western civilization, to find how well the hardy pioneers of Christianity and civilization builded, and to acknowledge gladly the much that we, as the more advanced outpost now of that same progressive American spirit, can learn from you.

"Every member of our party will take with him to our common mother country the most pleasant memories of our all too short stay among you and expresses the hope that your great article of export will ever be emblematic of the conditions of this garden spot in the Pacific.

"With renewed thanks and remembrances.

"Very faithfully yours,

"A. W. FERGUSSON."

IN MEMORIAM OF MRS. M'DONALD

(Continued on page 7).

fiereless and sympathetic ministries, she was ever a comfort and help in the homes of the sick, the dying, the needy and the distressed and her sympathy was so manifestly sincere that many turned naturally to her for help and encouragement. She served in love and was loved by those who knew her; she maintained a clear faith and undaunted courage which now makes our loss a deep sorrow to us all, so we gratefully acknowledge the grace and blessing of God in all her ministry.

Though we are deeply bereaved in our loss, we will not fail to pray and believe that her example may long abide with us and continue to be an inspiration to greater effort in the work she so truly loved.

THE EVANGELICAL SERVICES.

"The Church of the New Testament Scriptures" will be Mr. Hamilton's subject of discourse at the Christian church tonight. In the treatment of this subject it will be the purpose of the evangelist to make inquiry as to whether the Scriptures give everything necessary as to creed and organization, and in fact, all that is essential to the existence of a church. The subject of "Conversion" was previously announced for tonight, but has since been changed to the above. Last night's discourse by Mr. Hamilton, on "Practical Christianity," was an able effort and held the close attention of the congregation.

FOR THE INDIGENT SICK.

Honolulu, Hawaii, May 11, 1904.

To the Public:
The last Legislature having failed to provide funds for the maintenance of the Government Dispensary or provide medicines or supplies therefor, and also having failed to provide for a Government Physician for the District of Honolulu, the undersigned physicians have mutually agreed to render their services free of charge for the care of the indigent sick and helpless through the Dispensary until July 1st, 1905, or until the Legislature meets and act otherwise provides.

The necessity of this step is disclosed by the fact of there having been 266 treatments at the Dispensary and 62 outside visits in the month of April. There will be an increase of calls upon the Dispensary. To meet expenses \$125 per month will be required.

We believe the object will appeal to the charitable and the funds be voluntarily forthcoming.

Contributions may be handed to the undersigned physicians, or forwarded to the President of the Board of Health.

H. H. MOORE & SONS,
Stockton, California

Los Angeles, Cal., April 18, 1903.

H. H. MOORE & SONS, Stockton, Cal.

Gentlemen:—About a month ago, I received your letter with instructions for applying your H. H. H. Medicine to one of my cows, and after using the same according to your directions will say that the hard and inflamed condition has entirely disappeared from her udder and is now milking freely again and as healthy as ever.

Sincerely yours,
M. B. BROWN,

Mr. Richard Russell Smith, of 347 E. Poplar St., Stockton, Cal., writes: That he was induced to apply H. H. H. Liniment to a sprained condition in his ankle which for years had given him trouble. The inflammation was quickly reduced and the ankle much strengthened, and he now keeps H. H. H. on hand for all emergencies.

Mr. Henry H. Buell of Virginia City, Nevada, says: While camping in the Sierras last summer, my eldest daughter was taken with severe cramps and pains in the stomach. Nothing that we could think of gave any relief until on my way for help, I met a teamster who gave me a bottle of H. H. H. Medicine and told me how to use it. The effect was marvelous, the cramping stopped almost immediately and in a very short time the pains had entirely disappeared. It is needless to say that I will always have your valuable medicine on hand in the future.

Mr. Herbert F. Smart of Lassen Co., Cal., writes to us: I always keep your H. H. H. Medicine on hand for household use and on my stock for lame shoulders, bruises and cuts, etc., with continual good results.
